

## Begots of the Glory Cup

A work of Romans 15: 5:6

With all the days and years of preaching the word of God since Jesus Christ ascended, we've been turning around through centuries, now lets Turn as I show you how we are to do this by the word of God. It's important that you know the Preach1 Day ministry is the organization of spiritual and natural order that govern scripture.

Never has anyone asked you to join them in bringing a Cup-of-Glory to God. Now that Preach1 Day has made it's debut campaign, we're asking you "is God worth your 2 minutes glorify Him"? You, the listener will most always say "yes I have more than 2 minutes for God". But will you R.S.V.P. a bible verse, learn your selected verse to heart then worship God by reciting your selected verse at the Detroit River without praying, standing with 31100+ Believers with one-mind of starting and ending the worship in Unisys? Thus, bringing a Cup-of-Glory to God the Father and son Jesus Christ only!

A worship of spirit and truth gives us use of the Holy Spirit for a greater work to raise up in the spirit-legal scriptures of Romans 15:5-6. Having honors to God, gives us the authority to bind the stronghold spirit of evil that is haunting citizens! With God's Harmony, the evil one must retreat and give us back our stuff in spoils!

At this junction, I only hope that our leaders will give it's citizens a visionary pep talk to possess and populate every foot of Michigan! Our miracle testimonies from the ceremony will lead to thousands of books written, etc. Who knows the ideas participants may venture once their harmony portion comes within. God harmony covers each bringing glory like a franchise member. Afterwards, Michigan shall have the greater attraction from all the world's travelers of Believers! I'll say, whatsoever your business is, let it be you ministry first. Once you heard the voice of God in your spirit or audibly in your ears, you must take on discipleship or risk falling into temptations wanting more guidance from human(s), this is a good place to end this letter so I'll stop here.
