Michigan turn towards one accord. There is no energy force like powers drawn by harmony to advance people. Michigan cities are named the worse in the nation with troubles reaching an all time high! It's time we ask ourselves, is it from the Land, People, Good or Evil that's sifting our citizens? Local leaders in high places are loosing their way after esteeming sinful things higher than the people following. Many are wondering which comes first: honor to God or the answered prayers? Include your honor to God in Michigan's first Cry Out, it's a prophecy, a love story with God (Romans 15:5-6), written here in an obtainable and organized forum.
