

This CryOut requires us to take a position in a ceremony with Michigander's, locating on the borders of **Detroit River** to speak 1 scripture of the Holy Bible to God with those registered for this ceremony. To do this, we are asking those participating in the CryOut to move with zeal to select the scripture most wanted. With this honor, let's weigh in heavy on God's heart, lifting Him up in the CryOut ceremony, drawing men, women and children to accomplish greater power and might to God's glory on Preach1 Day.
