

Scheduled churches offering communion **services** on Preach1 Day are not to serve communion inside of any type of building, the building are to be used for rest only. None of the Preach1 Day activities are inside and nothing should be between the sky and God's people heads, this is the ordinance for the ceremony and the communions. Plan no meals only bread/crackers and wine/water base drinks, no thirst quenching portions please! On this day obedience is better when practiced.
