

## **FOUR YEAR TRIALS vs. TWO MINUTE SOLUTION**

Let us stop and take a look at ourselves, we have the smartest people we can find working on Michigan's Come-Back. Most of them have a 4 year term in office to make a dent into the great effort to save citizens and cities like Detroit. This is man's way to quest though the issues at hand in our United States. But suppose the old way doesn't work in the face of our Detroit this time, than we've lost four more years to our effort, or you may say that we entered into four more years towards total chaos. However, our next plans are to elect others, using their experiences and degrees to defend our issues at hand.

How about we stop our trials for this moment. Let's add one line to bring a spiritual work to our ordeals in Michigan. With citizen and government together, using one-voice on the same level (outdoors) to rise above the issues at hand. We can move our mountain called Michigan once we apply ourselves for God's Grant in Romans 15:5, and by using the Biblical instructions at Romans 15:6. The 'Preach1 Day ministry' unveils Roman 15:6 requirements as the bearer of records, time setter and site locator. The work requires a 2 minute recitation of truth into God's Ears. Let us not wonder away from this in-time Bible prophecy to pledge for God's Grant. Let's all register for it!
